

## **Morristown Hamblen High School East Colorguard Mission Statement**

We, the members of the Morristown Hamblen High School East Colorguard, perform as a visual unit with the marching band, strive for excellence, and entertain our audience while most importantly having fun. We work together to stand for spirit and pride for the Morristown Hurricanes. We express our determination, hard work, self-respect, discipline, and endurance through the form of progress towards our personal and team goals. Our passion for Colorguard comes from the fun we have, the friends we make, and the feeling of accomplishment we receive in the end.
