Instructions:

Students will be performing a series of basic skills as well as the fight song which they have learned over the series of 2, 3-hour rehearsals. We don't expect them to be perfect. We are mainly looking for potential. Can they hear the beat of the music? Can they perform the routine without watching others too closely? Can they recover after making mistakes? Can they remember the series of moves that make up the routines.

Simply observe the prospective member's audition and rate them in the areas below. You will then be asked to make a recommendation as to whether you believe they are ready to be a member of the Color Guard.
